The weather is typically windy, punctuated with short episodes of rain, so have tarps and rain gear handy. If you don't want to camp, you can join the group on Sunday for the scheduled events. We often have 40 -60 people on that day! Bring a dish for the potluck lunch and any items you can contribute as prizes. (Call Joe for pickup if you can't bring it with you.) Participate in the Easter Bonnet Contest and you may win a prize!

The club has permits for both Friday and Saturday nights although most people only camp on Sat. night. The Park gates are locked between 8:00 PM and 7:00 AM, so you have to be inside before they close. **Campground 'A' is all the way at the back of the park** - turn right at the circle, and go down the unpaved road about half a mile. Our campsites are on the far right (south) end, beyond the Park Ranger's house, around the big white prefab canvas dome. See map below.

Don't forget your Christmas tree if you saved it for the mega-bonfire. Also bring any wooden pallet, logs, whatever will burn (without being a hazard).
